## ***MEP Addendum #3***

**Date:** June 26, 2015  
**To:** All Plan Holders and Bidding Contractors  
**Attn:** Bid Package #31 HVAC Bidders  
**Project:** Kirtland Community College – Health Sciences Education and Training Center  
4 Mile Road, Grayling, MI  
**Notes By:** Aaron Wosek  
**Distribution:** Nealis Engineering Project #15008

### **SCOPE OF WORK**

The following items are changes, additions, deletions, clarifications, and/or errors, and omissions in plans and specifications, and shall be considered by each Bidder in making and submitting his proposal. All of these items shall be considered a part of the Contract Documents.

### **MECHANICAL (BID PACK #31 HVAC)**

#### **M1 Reference Mechanical Temperature Control Bid:**

- A. The temperature controls portion of Bid Pack #31 shall include pricing from Tri-County Controls Only. Tri-County Controls shall provide pricing for Auto Matrix controls and expansion of the existing Auto-Matrix front-end platform. Tri-County Controls shall match the temperature control scope as described in Section 15926 Digital Control Equipment. Pricing for the VRF Bacnet interface board (Daikin or approved manufacturers) and labor for integration into the front-end controller shall be included in the Base Bid (not listed as a line item as described in Addendum #1 Item M3-E.). Contact Chris Rittmueller, Tri-County Controls for pricing at 989-529-2504.
- B. The Tri-County price shall be broken out of Bid Pack #31 HVAC and made available for post-bid interview purposes for comparison to all Alternate Temperature Control Pricing.
- C. We would like Alternate pricing for all temperature control contractors that are bidding the Tridium Vykon with Niagara AX Supervisor V3.8 listed under the Voluntary Alternate Line offered in the Bid Pack #31 Bid Form. As noted above the pricing for the VRF Bacnet interface board (Daikin or approved manufacturers) and labor for integration into the front-end controller shall be included in the Alternate pricing (not listed as a line item as described in Addendum #1 Item M3-E.).
